## Come Dance

Aaja Nachle, which in Hindi means 'come, let's dance!' is Hawaii's only Bollywood and Indian Folk dance group, formally founded in September 2012 by Nada McClellan and Sai Bhatawadekar. The group is known for their incredibly energetic and joyful choreographies and performances of Bollywood film songs, folk dances like Bhangra, Garba, Laavni, as well as fusion pieces with elements from classical and world dances.

Our open and free dance practices welcome everyone, regardless of your dance experience, to come and learn new moves, and enrich the group with your own talents. Come dance with us; you will not only get a good workout, but an excellent aesthetic sense of Indian dance, poetry, music and rhythm. You will leave with a hop in your feet and joy in your heart.
